

Hey Jordan,

I watched your video on "I cannot afford to invest," and I must say, you have a unique way of revealing the truth—it's like removing a blindfold from people's eyes.

Your course, "The Beginner's Guide to Investing," is valuable, and I can't help but wonder how many people might be missing out on your financial tips.

I believe a touch of curiosity could do wonders for increasing your sales.

You might be wondering how? well, picture this: my words on your website, captivating readers and igniting their desire to explore and embrace your offers.

To show you what I mean, I've created a small test copy for your website that will entice readers to take action.

I understand we're both busy, so a simple yes or no if you're interested in giving my copy a peek would be fantastic.

Warm regards,
