	Specialized Cells Worksheet Part 2	
Name:	Date:	

After the Plant systems lesson please fill out the same information as you did for animal cells but for the 6 specialized plant cells in plants.

Type of Cell	Rough Sketch	What is the function of this cell?	How does its structure suit its function?

Type of Cell	Rough Sketch	What is the function of this cell?	How does its structure suit its function?

In the following table write down the specialized cells in plants and animals and compare and contrast them.
