6. Committee/Chair Reports
    a. PAC Chair District Report
        i. Parent Engagement Policy: We are a title 1 school and it is required we have a policy Family Engagement Policy (see policy online)
        ii. Transportation: If there's a field trip, it's $5 a mile and 20mile minimum and $750 maximum (FYI for teachers planning)
            1. New updated requirements for driver qualifications (see scanned information)
        iii. Funding: We get funding based on families income levels via a survey that is NOT required… The district would like to encourage parents to take the survey to help collect data. If we have parents that meet various requirements it dramatically aids our school's funding
        iv. Incident Report: Mission Hills High School… this incident involving students during school hours with a weapon was the first time this has happened. There is a program in place where there is a camera and keyless entry at the front door. The doors lock when the bells ring to start and end school. All school will have this in

place by the end of the year. The only way to enter the school is via I.D.

1. This helps aid security and aids with tardiness
2. Joli Ann will get Keyless entry around January

v. 3 Levels of Volunteers:

1. Parents that have done level A there is a backlog on fingerprints, if you are just waiting on this alone then you are clear on campus
2. New rules include all parents who are on campus when there are children present and unsupervised by their parents need volunteer clearance (A, B, or C) – i.e. if a parent wants to join a PTO meeting, you just need to check in at the front desk (don't need clearance to join the meeting)

vi. If there's anything we have questions for the district… let Taline, our PAC Chair know and she can take it to

7. Announcements/Miscellaneous
   a. The extra storage room is available to use.
