1. Leilanie Epstein (Noah)
- 2.

VOLUNTEER ROLE DESCRIPTIONS

SENIOR PARENT COMMITTEE

Help make senior year special!

Attention Senior Parents: Help coordinate senior recognition, including ordering senior banners at the beginning of the season to hang in the stadium, end-of-season celebrations, senior gifts, and other activities celebrating our graduating XC athletes. It's completely up to you what you would like to do.

FRIDAY THE 13TH ATHLETE DINNER COMMITTEE

Friday, November 13, 2026 5pm

Help plan the team pasta dinner, normally held in the MVHS Commons.

Responsibilities may include coordinating food, decorations, setup and cleanup.

Each athlete who participates pays for their own dinner.

It's completely up to you how simple or elaborate you want to make it. This is just a fun way to bring the team together.

END OF SEASON BANQUET

November 29, 2026

Help make our End of Season Banquet a special celebration for all of our XC athletes! The banquet will be held at Round Hill Country Club. Volunteers will help with planning, selecting the menu, collecting money from attendees, coordinating details with the venue, choosing decorations, creating a fun photo shoot area, and helping with setup and cleanup.

It's a wonderful way to wrap up the season, celebrate our athletes, and spend time together as an XC community!

GIRLS OVERNIGHT & DRIVER CHAPERONES — VARSITY

Female chaperones only

Help chaperone the varsity girls during overnight XC trips. Responsibilities include driving athletes to and from races and team meals, staying overnight at the team hotel, and helping supervise the athletes throughout the trip. **The team covers hotel & rental car/gas.** Chaperones may need to put a rental car or team meal on their card and will be reimbursed after submitting receipts.

BOYS OVERNIGHT & DRIVER CHAPERONES — VARSITY

Male chaperones only

Help chaperone the varsity boys during overnight XC trips. Responsibilities include driving athletes to and from races and team meals, staying overnight at the team hotel, and helping supervise the athletes throughout the trip. **The team covers your hotel & rental car/gas.** Chaperones may need to put a rental car or a team meal on their card and will be reimbursed after submitting receipts.

EBAL TRAIL BIKE LEADS

Saturday, November 7, 2026 • MVHS EBAL Job Assignment

Help support the EBAL cross country meet by serving as a bike lead on the course. Bike leads provide their own bike and ride designated sections of the course to help monitor/lead the race, provide course support, and communicate with race officials/coaches if needed. **This is a mandatory job** assignment that MVHS XC is required to fill.

EBAL COURSE MONITORS

Saturday, November 7, 2026 • MVHS EBAL Job Assignment

Help support the XC team during races by monitoring a designated section of the course. Course monitors help keep athletes on the correct course, provide directions and encouragement, watch for any issues, and communicate with race officials or coaches if needed. **No special experience is required—just be attentive, supportive, and ready to help keep the race running smoothly! This is a mandatory job** assignment that MVHS XC is required to fill.

STADIUM SNACK SHACK VOLUNTEERS

Friday, October 16 • 6:30 PM • Fundraiser

Help run the Stadium Snack Shack during the Friday night Varsity Football game against De La Salle. Volunteers will assist with selling food and drinks, taking payments, restocking, and keeping the snack shack organized. Athlete Boosters will donate \$35 per volunteer to XC! It's actually a lot of fun and a great way to support the team. Plus, you get free snacks!

No experience necessary—just come ready to help and enjoy the game!

CRAB FEED AUCTION BASKET

Spring 2027 • Fundraiser for the 2027 XC Season

Help create an amazing auction basket for the annual Crab Feed fundraiser, held in the spring by the Athlete Boosters. Responsibilities may include coming up with a fun basket theme, gathering or soliciting donations, assembling the basket, and helping get it ready for the auction.

This is **not a mandatory** fundraiser—just an additional opportunity to raise funds for the 2027 XC season if it works for the group. All proceeds from the basket will go directly toward supporting the XC program.
