EVENT/PROJECT: Perennial Garden Community Garden Club

DATE OF EVENT/PROJECT: April / Spring Season

AMOUNT REQUESTED: \$2000.00

DISCUSSION:

Called to a meeting at 4:34 pm.

Introductions.

Abby serves as the President of the Community Garden Club and is requesting funding to purchase native plants for the club's perennial garden as part of efforts to expand its existing plant collection. Club attendance varies seasonally, ranging from approximately five members during lower participation periods to up to twenty members at peak engagement. The requested supplies will support the upcoming growing season and will be utilized directly within the garden. This funding request is operational in nature and is not tied to a specific event.

Motion by Zoey to move to Deliberation under unanimous consent.

No objections.

DELIBERATION:

No preliminary deliberation; unanimous support to accept the funding request.

EVENT/PROJECT: Big Eid Lunch

DATE OF EVENT/PROJECT: May 30, 2026

AMOUNT REQUESTED: \$4000.00

DISCUSSION:

Called to a meeting at 4:45 pm.
Introductions.

Ocean serves as the Vice President of the Muslim Student Association and is a doctoral student within the College of Engineering. This marks the organization's second funding request submitted to ASBSU. The proposed event, The Big Eid Lunch, is a community-centered gathering that celebrates a significant Islamic festival recognizing the devotion and sacrifice of the Prophet within their faith tradition. Requested funding will support food, beverages, and necessary room and equipment supplies, with an anticipated attendance of approximately 120–150 participants. The event aims to foster cultural awareness, promote interfaith understanding, and encourage meaningful community engagement within an inclusive and welcoming environment.

Minutes are prepared by the ASBSU Chief of Staff during Funding Board Hearings, then approved by the SFB Chair. Approved minutes are shared with: Boise State Contact list provided; Student Organizations Coordinators, Shared Business Services team, Student Involvement Business Operations Coordinator. Approved minutes are due within 2 business days from the Funding Board hearing.

*Motion by Peyton to move to deliberation under unanimous consent.
No objections.*

DELIBERATION:

Peyton says with our limited funding space of \$6000.00 and another hearing, this grant request will have to be tabled until we hear the next request. However, unanimous support for funding this request with the space we have.

*Motion by Zoey to move to voting under unanimous consent.
No objections.*

VOTE:

*Motion by Zoey to fund the table this grant request until we hear the next grant request.
Seconded by Ivan.*

VOTING FOR: # 3 AGAINST: # 0 ABSTAINING: # 0

Aleia: Due to submission and our first come first serve policy, we have to table this request to see our financial position and limited funding resources. You will receive a notification next Tuesday regarding the final approved decision.

AMOUNT APPROVED: TABLED

3. Kelton Lambie

GRANT: Direct

PHONE: 2088034112

EVENT/PROJECT: New Light Sabers - Light Saber Society

DATE OF EVENT/PROJECT: No date

AMOUNT REQUESTED: \$150.00

DISCUSSION:

Called to a meeting at 5:08 pm.
Introductions.

Minutes are prepared by the ASBSU Chief of Staff during Funding Board Hearings, then approved by the SFB Chair. Approved minutes are shared with: Boise State Contact list provided; Student Organizations Coordinators, Shared Business Services team, Student Involvement Business Operations Coordinator. Approved minutes are due within 2 business days from the Funding Board hearing.

Kelton, the Financial Officer for the Light Saber Society, is requesting funding to transition to a new lightsaber manufacturer due to ongoing issues with weak batteries and limited device durability in their current models. The requested funding will be used to purchase two test lightsabers to evaluate performance and longevity. Existing equipment requires extensive refurbishment and has a relatively short usable lifespan. The organization believes that identifying a more durable supplier will allow sabers to be maintained and passed down to future club members, improving long-term sustainability. Kelton also noted that the club does not anticipate utilizing the full amount of requested funding for the test purchases.

*Motion by Zoey to move to deliberation under unanimous consent.
No objections.*

DELIBERATION:

No preliminary deliberation; unanimous support for accepting the funding request.

*Motion by Peyton to move to voting under unanimous consent.
