About Coach Beck

Coach Beck is a USPTA-certified tennis and pickleball professional with a wealth of experience, having coached for more than 25 years across all ages and ability levels. His background as a former collegiate player and his lifelong passion for the game shape his teaching philosophy, which is centered on growth, confidence, and enjoyment.

He currently teaches Social Studies at Dover High School and serves as head coach for both the boys' varsity and coed middle school tennis teams in Hampton, New Hampshire. Beyond the school season, Coach Beck works at the Sports Barn, leading junior classes and adult programs, and also coaches for the Hampton, Exeter, and Portsmouth Recreation Departments. He is pursuing a master's degree in Sports Management at Southern New Hampshire University (SNHU) and holds a bachelor's degree in History from Middle Tennessee State University (MTSU).

Coach Beck's dedication to youth development is evident in his partnerships with several nonprofit programs to expand access to tennis in local communities. He volunteers with the Seacoast AdvantageKids initiative, coaching at youth camps and clinics, and contributes to the USTA Tennis in the Parks program, which offers affordable classes and equipment for players of all ages.

His professional background includes positions as a tennis teaching professional at the Great Bay Athletic Club (5 years), head teaching professional at the Nashua Country Club (2 summers), and coaching roles at the York Country Club (2 summers).

Coach Beck's coaching experience is not limited to the US. He has spent the past decade coaching in Beijing, China, where he taught Social Studies and led racquet sports at St. Paul Academy. He later served as head tennis professional at both the Lido Country Club tennis camp and the VTG Tennis Academy, and co-founded GoSports of Beijing. This summer camp introduced local youth to tennis and other American sports.

Committed to continual growth, Coach Beck participates in annual professional training to stay current with modern teaching methods. He has coached players of all ages and skill levels in private, semi-private, and group settings. His greatest passion lies in team coaching—helping athletes develop their skills, sportsmanship, and love for the game.
