SL: How online coaches can sign their first clients in 2 weeks...

The "OMSD" plan that I created is the reason I'm making \$70,000 per month as an online coach...

And today, I'll be revealing this plan for free so you can start making 5 figures per month...

Now,

I said that you could sign your first client 2 weeks from now.

But actually,

Some beginner coaches have signed their first client 1 week after following the OMSD plan.

And now, the ball is in your court.

Do you wanna keep struggling and trying to figure out this coaching thing all by yourself...

Just to wind up spending thousands of dollars next year because you can't figure out how to sign clients.

Or,

Do you want an online coach that makes \$70,000 per month to tell you everything he knows...

For free.

It's up to you.

But if you're serious about being a coach.

And if you're serious about helping people make their lives better and earning over \$10k a month...

While working less than 40 hours a week.
