

Report purpose

This is the fastest way to find the average age of your collection or the average age of nonfiction. Analyze your collection further by looking at specific dewey classifications or sublocations.

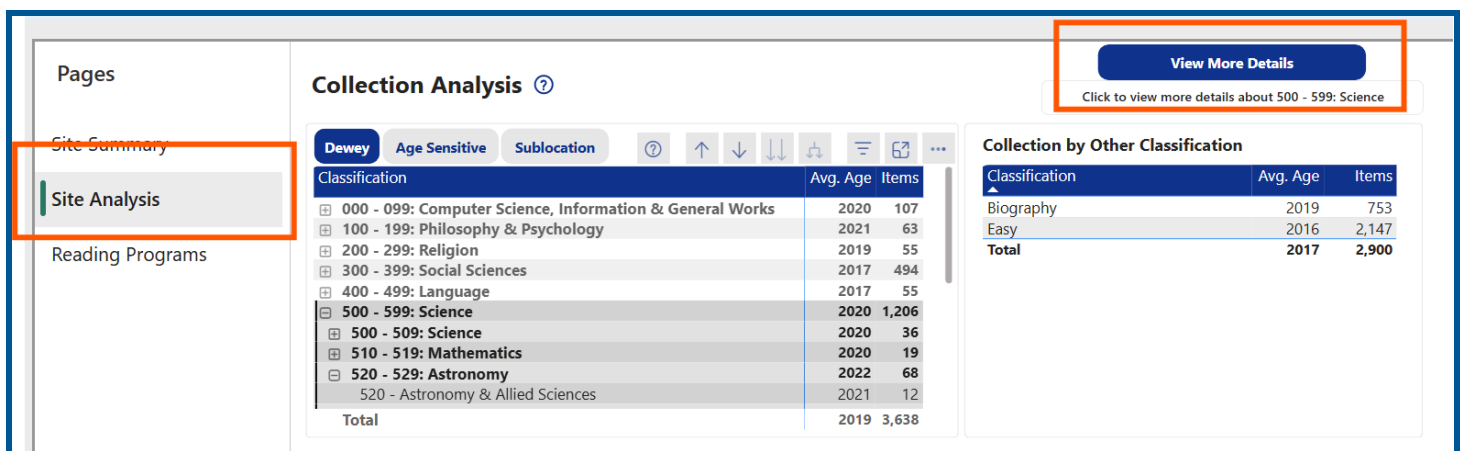

Run the report

In Destiny Back Office, navigate to **Reports > Enriched Reports**. Click on **Library>Collection Analysis**. View an overview of collection statistics.

Site Analysis

Click on the Site Analysis tab on the left navigation bar to view collection statistics by classification. Click on View More Details for a given range to view Title/Copy data for the materials in that classification.

After clicking View More Details for a specific range, you'll be able to see data for individual titles, including last checkout date, number of circulations, publication year, etc.

You can export data from this screen into an Excel spreadsheet.
