

Hello!

My name is Mrs. Daron, and I am very excited to be your third grade teacher. This year is going to be unlike any other, and I know that we will all learn many things as we work together to make it the best year it can be.

I am the mom of five wonderful boys. Casey will turn 23 in September. He graduated from Keene State College as a film major in 2020. He plays the bass in a rock band called Afterimage, and he loves it! He is working as a teacher at a day care center until he can find a job in his profession.

Grady is 17, and he is a senior in high school. He loves all sports. He plays football, basketball, and baseball, and he is a class officer.

Killian is 15 years old, and a sophomore in high school. He plays drums in the high school band and drumline. He also loves sports and drama.

Sully is 12 years old and is entering 7th grade this year. He loves sports, and like his brother Grady, plays baseball, football, and basketball.

Finn is my youngest. He will turn 10 in October. He will be in Mrs. Fuller's fourth grade class this year. He loves sports and he loves to read. He plays basketball and baseball.

My husband and I keep busy with our boys. We love watching them participate in all of their activities, and we love playing outside with them. It is always a great time at our house. My husband teaches PE and health in Massachusetts, and he is also Sully's baseball coach.

One of my greatest passions is health and fitness. I work out every morning, and I also teach fitness classes to adults. I love incorporating yoga and mindfulness into our classroom. I love connecting with you (my students) and hearing about what you love. It warms my heart when you share what you are reading as well as how you spend your time outside of the classroom.

I believe that we are all one big family, and I like to create an environment of love and respect within our classroom.

I cannot wait to learn about all of you!

Love,

Mrs. Daron
