

Timeline Template

Explain important events in your life using primary and secondary sources and a timeline.

Part One– Choose a primary and secondary source from your life. Explain how you know it is a primary or secondary source.

Choose one primary source from your life and explain.	
Primary Source	Why is this a primary source?

Choose one secondary source from your life and explain.	
Secondary Source	Why is this a secondary source?

Part Two– Create a timeline of five important events in your life. List the **date** and a one-to-two-sentence description of each event in the text boxes. You can also add an optional picture. Place your life events in chronological order on the timeline.

A horizontal timeline with five dots and arrows pointing to text boxes above and below.

The timeline is a horizontal line with arrows at both ends. There are five black dots along the line. From each dot, a blue arrow points upwards to a rectangular text box. From the second and fourth dots, a blue arrow points downwards to a rectangular text box.
