Subject: From "Nice Guy" To "Bad Boy" (Frank's weird story)

So check it out...

My Uncle Frank is 50-something years old, shaped like a pear, and hasn't gone shopping for clothes since the 1990s...

And he still gets laid like a Sex God.

For the longest time, my friends and I couldn't figure out why...

It's NOT like he has any money. The last job he had was working the night shift at 7/11 (until he got fired for banging the boss's wife...)

It's not like he's good-looking. (He looks like the "Before" picture in a fitness ad...)

And it's not like he's packing a salami in his pants.

In fact, Uncle Frank's is more like a cocktail weiner.

(How would I know that? Let's just say one time I dropped by his apartment unannounced, and caught him in the middle of a game of "Naked Twister" with a couple of 23-year-olds...)

And yet, he's has always got smoking hot women coming and going from his place.

Every time I go out with him in public, he's collecting phone numbers from girls to add to his "rotation."

Nowadays, my Uncle Frank – who my family always thought was a complete wacko – is a bonafide sexual legend.

One day I asked him for the secret of his success. "I have three rules," he said...

- 1) Never put the p\*\*sy on a pedestal
- 2) Never spend money on dates
- 3) And you can bang ANY girl as long as you can Control Her Mind.

Control her mind??

Yup -- and believe me, if Uncle Frank can do it, YOU can do it...
