

Adopt-a-Shelf, Earn 5 Service Hours

A student can receive **five hours of service** by adopting a display area IF the final review meets the following criteria.

To be granted service credit, the student must:

1. Meet with a Librarian to select a display shelf or table.
2. Propose a theme for the shelf or table display. (Suggested themes might include LGBTQ+ fiction and nonfiction, sport(s), memoirs (narrowed to reflect a specific group), genre studies (mystery, romance, sci-fi, etc.), representations of a historical event. See the Librarians for additional suggestions.) Theme must be approved by the Librarians.
3. Using the rubric below as a guide, create, gather, share, and organize the items listed.
4. Once all items have been completed, email Mrs. Manganello a copy of this rubric with your signature.

Students will receive an email from Mrs. Manganello confirming the award of the five hours of service. The email will act as a receipt for National Honor Society service hours.

By signing below, I am confirming that my display meets all of the following criteria.

	All displays must meet specific requirements.
Book List	Using the Alexandria catalog , create a list of 15-20 library books that fit the selected theme.
Book Selection	Using the call numbers, collect the selected titles from the library shelves for display.
Written Rationale (The "Why" behind your choices, this will be posted with your display.)	Write a one page rationale of the books that you have selected. The rationale should include: • A short description of the theme • The reason behind your selection • Highlight at least three of the titles that you have included explaining the connection of each to the theme Be sure to include your name and grade.
Technology (Use the program or tool of your choice.)	For the display, using Canva (or a similar tool) create: 1. A one-page flyer of the suggested book titles. For each book, include the title, author, and call number, along with a one to three sentence description. 2. A take away/bookmark for students that lists the titles and call numbers and connects to your theme. 3. An attractively-formated copy of your written rationale. Name each file with YourLastNameBookTitle1 (Example - ManganelloTrulyDevious1) and save to the Adopt-a-Shelf folder. The Librarians will print the shared documents in color.
Arrangement of Table/Shelf	Using book stands (provided by the Librarians) and signage construct an attractive arrangement of the books and materials you selected and created.
Final step	Photograph the display. Email this signed rubric and the photo to Mrs. Manganello to earn service hours.
