A Thought to Ponder from The Urantia Book

“The Adjuster is the essence of man’s eternal nature; the seraphim is the teacher of man’s evolving nature — in this life the mortal mind, in the next the morontia soul.”

導師

「調整者乃人永恆本質之要素；熾天使則為人進化本質之導師——此生指引凡人心智，來世引領靈質性靈魂。」
