Entries

Send all entries to [Coach Laird](#) (Campbell). These are due by **4 pm on Wednesday, Jan. 21st**. The coach submitting the entry file will receive a confirmation PDF of entries for verification. It is the coach's responsibility to double check and ensure that entries are accurate prior to the psych sheet being generated. Include your divers competing in Championships. Prelim individual entries have no limits but must have qualifying times. Entries must be completed using the Hy-Tek meet file on the [CSCA site](#).

USA Swimming is sanctioning the meet. Please include your USA swimmer ID numbers in your entry file.

Each swimmer may swim a MAXIMUM of four (4) events for the meet. This can either be in 3 relays and 1 individual event or 2 relays and 2 individual events. Athletes may compete in both the Championship and JV Meet. For example, if you have a swimmer that qualified for one (1) event for Prelims, then they may swim in the JV Meet. However, the total allotment remains at four (4) for the weekend.

Relay changes for Finals can only come from qualifying alternates already listed within your County Championships Roster, who do not violate GHSA/NFHS Championship Rules. **All Relays must have seed times and names.** TM defaults to your overall best time for the season per relay, unless you are using the same four swimmers who achieved that time, calculate the adjusted seed time for proper lane placement in Prelims.

Double check your entry confirmation report. Only times from this year's high school season are to be used, including relays. No club meet times are allowed. **Once the Psych Sheet has been sent out there will not be any individual event changes.**

Diving

This is an 11- Dive Championship Meet; JV will compete with 6 dives only. Divers are to use the electronic platform (link below) to complete their sheets. These are due by Wednesday, Jan. 21st, 9:00pm. Email completed dive sheets to [Coach Maier](#). Additionally, be sure to include your divers into the correct TM/SM files: 11 Dives (Championships), 6 Dives (JV).

Open Warm-up will be from 3:00pm to 4:00pm; **Boys** will warm-up at 4pm and compete first; the **Girls** will have an additional 30 minutes prior to the start of their competition.

Costs

Individual entries are \$5 per event, \$10 per relay. [Coach Schreer](#) (Pope) will send you the amount that your school owes prior to the start of Swim Prelims. Make checks payable to: CSCA or pay [ONLINE](#) **Spectator cost is \$7, card only, no cash**

Warmup and Volunteer Workers Schedule

Volunteer assignments and the warmup schedule will be based on historical data. This will be available on the CSCA website several days prior to the start of the meet. Coaches will be notified when the document is available. Questions about volunteers/warmups are to be addressed with [Coach Hughes](#) (Lassiter).

Advancing to Finals and Scoring

The top 30 individuals and 1 Relay from Friday's Prelims may qualify for Saturday's Finals. Max of 4 per school, per individual events. This means that there will be a C, B, and A final. Swimmers can move up in placement and points only in the final in which you qualify. All B Relays will be marked as Exhibition. Should the 'A Relay' be disqualified, the 'B Relay' will be moved out of exhibition. Swimmers from a disqualified relay cannot move onto the 'B Relay'. The top 10 finishers, per event, will receive medals. The top 3 will report to the awards podium.

In finals, an alternate can be placed into the C finals heat in an open lane and can score points. An alternate can be placed into the B and/or A finals heat but cannot score points. This would be an exhibition swim for the alternate.

Communication

All updates, changes in the Meet due to weather, etc. will be sent out via **Coach Bisesi (Hillgrove)** so please check **REMIND** for any updates. [@cscacoach to 81010](#)..
