

Uxbridge and District Curling Club - Rock Handle Sponsorship Program

Terms of Agreement

(revised December 2025)

1. The Member cost of a rock handle sponsorship is \$250.00 for 1 (one) rock handle.
2. The sponsorship terms have transitioned from the original fixed five-year contract to an ongoing, unlimited-duration agreement, with a minimum commitment of five years.
3. Full payment for rock handle sponsorship must be received in advance.
4. Choice of handle is on a first-come basis subject to discretion of the Board of Directors.
5. Inscriptions must be approved by the Board of Directors.
6. Inscription is guaranteed for the duration of the sponsorship.
Should the handle fail at any time during the sponsorship period, the Uxbridge and District Curling Club will be responsible for the cost of an inscribed replacement handle.
7. Inscription colour and font style are at the sole discretion of the Board of Directors.
8. No refunds or rebates made after the handles have been ordered.
9. Inscriptions are not to include any profanity or derogatory comments.
The Board of Directors has the right to refuse any inscriptions they deem to be inappropriate.
10. Inscriptions are not to exceed the number of characters that space will allow.
To be determined according to the size of the handle surface.
11. There is to be a sponsor agreement/contract for each rock handle signed by the donor and the Uxbridge and District Curling Club representative, board and/or staff member(s) as approved from time to time by a motion of the Board of Directors, outlining the terms of the rock handle agreement and such agreement to be kept on file in the Uxbridge and District Curling Club's office for not less than the term of the agreement.
12. Sponsors will not be considered completed until donors complete, sign, and submit to the Uxbridge and District Curling Club a Rock Handle Agreement form with payment.
13. When all rock handles have been allocated, new sponsorship opportunities will be managed through a right-of-first-refusal process. In this system, the longest-standing (oldest) sponsorship will be approached first should a sponsor choose not to renew or if any handles become available. This ensures an equitable and transparent method for managing turnover while honouring the loyalty of our existing sponsors.
14. Should a sponsor choose not to renew their rock handle sponsorship, they will have the following options
 - I. Have the inscribed handle returned to them
 - II. Have the inscribed handle disposed of by and at the expense (if any) the Uxbridge and District Curling Club

Note: All existing handle sponsors (2024-2025) will be incorporated into the revised program and will fall under these updated terms. Current sponsorships will transition to the new unlimited-duration model (with a minimum five-year commitment), and participation in the right-of-first-refusal process will apply equally to both existing and future sponsors. This ensures consistency, fairness, and continuity across the entire sponsorship program.
