Abstract

Please use 14-point bold for your article title, with an initial capital letter for any proper nouns. Please margin the article title to the center. All the authors of a paper should include their full names, affiliations, postal addresses, telephone and fax numbers and email addresses at the end of the manuscript. ORCID information is required for all authors. One author should be identified as the Corresponding Author. Please use one line for all author names and one line for all author information on the title page. An informative 10-point abstract (150 to 200 words) presenting the main points of the paper. Please include descriptive keywords (3 to 5). Capitalize the first letter of each keyword (e.g., Science education, Survey development). Add your abstract here. Add your abstract here. Introduction

Please use 10-point font size. Please margin the text to the justified. Manuscripts should be 1.5 times spaced. A paragraph should have at least 3 sentences. Footnotes and endnotes are not accepted. All relevant information should be included in main text. Do not indent paragraphs; leave a 1.5 times space of one line between consecutive paragraphs. Do not underline words for emphasis. Use italics instead. Both numbered lists and bulleted lists can be used if necessary. Before submitting your manuscript, please ensure that every in-text citation has a corresponding reference in the reference list. Conversely, ensure that every entry in the reference list has a corresponding in-text citation.

Subdivide text into unnumbered sections, using short, meaningful sub-headings. Please do not use numbered headings. Please limit heading use to three levels. Please use 12-point bold for first-level headings, 10-point bold for second-level headings, and 10-point italics for third-level headings with an initial capital letter for any proper nouns. Leave one blank line (1.5 times spaced) before and after each heading. (Exception: no blank line between consecutive headings.) Please margin all headings to the left.
