Oxford University Motor Drivers' Club

If you are using a smartphone, you may prefer to activate Reader View.

The OUMDC uses Sendinblue to manage club memberships and to email newsletters to subscribers. The club also uses Sympa by Oxford University to email newsletters to subscribers. The club will copy your personal information (first name and email address) that you provide on the membership form / newsletter subscription form from Sendinblue to Sympa. Sendinblue and Oxford University will be responsible for storing and managing your personal information that you provide on the membership form / newsletter subscription form, which will not be supplied to any third party. You can unsubscribe from club newsletters by clicking on the link at the bottom of the emails, and you can contact the club to remove your personal information at any time. At the end of the academic year, the club will delete your personal information if you do not have a newsletter subscription. Please read the [terms of use](#) and [privacy policy](#) for Sendinblue. and the [privacy policy](#) for Oxford University.

The OUMDC uses Facebook Events, Ticket Tailor and SendinBlue to organise and manage club karting, socials and motorsport trips. If you register to attend an event via Facebook, Facebook will be responsible for storing and managing your personal information that you provide to them. Please read the [terms of use](#) and [privacy policy](#) for Facebook. If you register to attend an event via Ticket Tailor, the club will copy your personal information that you provide on the registration form to Sendinblue, and to Sympa by Oxford University. The club will subsequently use Ticket Tailor, SendinBlue and Sympa to email you relevant information about the event. Ticket Tailor, SendinBlue and Oxford University will be responsible for storing and managing your personal information, which will not be supplied to any third party.

You can contact the club to remove your personal information at any time. At the end of the academic year, the club will delete your personal information from Ticket Tailor, and from SendinBlue and Sympa if you do not have a newsletter subscription. Please read the [terms of use](#) and [privacy policy](#) for Ticket Tailor, the [terms of use](#) and [privacy policy](#) for Sendinblue, and the [privacy policy](#) for Oxford University.

If you become a member, and/or register to go karting with TeamSport they will be responsible for storing and managing your personal information that you provide to them, which will not be supplied to any third party. If you decide to compete in the British Indoor Karting Championship, TeamSport are solely responsible for operating the championship. You can contact TeamSport to remove your personal information at any time. Please read the [general terms and conditions](#), the membership terms and conditions for ['elite' tier](#), and [privacy policy](#) for TeamSport.

As OUMDC 'elite' tier membership provides you with a K-I Licence, TeamSport will securely share the personal information that you provide to them with the national governing body Motorsport UK only. You can contact Motorsport UK to remove your personal information at any time. Please read the [terms and conditions](#) and [privacy policy](#) for Motorsport UK.

If you decide to compete in the British Universities Karting Championship, Club 100 will be responsible for storing and managing your personal information that you provide to them, which will not be supplied to any third party. You can contact Club 100 to remove your personal information at any time. Please read the [privacy policy](#) for Club 100.
