San Diego Community College District

Spring 2027 Information

Reminders:

- Spring 2027 courses begin **February 1, 2027**
- HS students are enrolled by College Admissions Staff
- Students may enroll in 11.5 or fewer units and have their enrollment fees waived
 - Students will need to pay for the health and student fees [mySDCCD student portal](#)
 - Students will need to pay for textbooks
- High school students must satisfy college course prerequisites and eligibility requirements. High School Counselors cannot clear course prerequisites
- Enrollment in Physical Education classes will not be permitted
- Students will be given college credit for all courses. Grades will be part of the student's permanent college record
- If you earn a D/F or Withdraw "W" the grade becomes part of your college record
- Concurrently enrolled students may provide a college transcript showing successful course completion to be considered for district credit. Concurrent enrollment courses will be listed on the high school transcript as pass/no pass. Course(s) taken must meet the identified criteria. Site principal/administrator has the discretion to award any district credit for college coursework earned independently outside the regular instructional day.
- If approved by your principal/administrator, you will need to provide the registrar, with an official college transcript if you would like for the course to be included on your high school transcript
