Department: Science **Unit:** Our Solar System **Course:** Earth Science

Author: Charles Wake

ELO #7: Students will understand the makeup of our solar system and describe the difference between features within our solar system.

Standard(s) ELO is based upon: 9E.2.1.1.1, 9E.2.2.1.1, 9E.3.1.1.1

Learning Targets
1. I can identify the different stages in the life of a star.
2. I can identify where different elements on Earth have come from.
3. I can explain how the nebular theory theorizes the formation of stars & planets.
4. I can identify the planets in our solar system.
5. I can discuss the different properties of different planets within our solar system.
