

General Meeting Minutes

Powell PTO 1/8/2020

Attendance:

Loralee Barr France, Katie Hebert, Jan McElhiney, Heidi David, Lisa Galop, Rene Meale, Steve Wolf

Welcome

Rene Meale & Lisa Galop

Principal Report

Steve Wolf

- Steve addressed the “doom and gloom” email that went out before break. There will be \$4-\$5 Million in cuts throughout Littleton district. It's not as bad as the past, but still a tight spot to be in.
- Open enrollment continues.
- Steve used \$96,000 for an FTE. We won't have the capacity to do that this year. No funds to “buy” staff. Leaner year.
- Stay tuned for position/program cuts. Still TBD who and where.
- Turf is almost complete. This was bond money, not to be confused with staff money (which we don't have!)
- We looked at the map of the boundaries and options for rezoning and how it will affect Powell. See previous email for the maps, if interested.
- Recognition Assemblies: January 14th (6th), January 16th (7th) and January 23rd (8th). All at 9 a.m.
- Save the Date! Stakeholder Meetings: Monday, February 3rd 5-7 p.m. at Powell (other dates at other schools). This is the boundary discussion.

President Report

Rene Meale & Lisa Galop

- Mrs. Sheets Spirit Wear help - Back to School Night and Conferences. TO DO: ask Pride Leaders to sell.
- January Thankfulness Issue for volunteers in 1st Semester? Think we missed it in December, so should we include in the January Newsletter? (prowl, staff conference dinner, classified employees day, veterans day, cookie exchange, all attendees to dining for dollars)

Treasurer's Report

Kathy Shepherd

-See budget sent in separate email.

Team Updates

- **Communication**

Katie Hebert
