The fact that you are reading this shows that privacy issues are becoming a growing concern among mobile app users. Therefore, we feel that it is our duty to disclose the way we handle any data that may be collected while you are using "Master Addon&Mod for MCPE" ("Application"). By using the Application, you are deemed to have read and agreed to our privacy policy as described here.

Advertising

Advertising allows us to provide our content free of charge. We may place banner ads and full-screen ads within the Application at places where we deem unobtrusive. We partner with Google Admob and Facebook Audience Network, AppLovin, Mintegral, Unity to deliver advertising contents. In order for advertisers to reach their audience effectively, cookies may be used. It is possible to opt out from personalized ads. To understand more, please refer to [Google's Privacy Policy on Advertising](#) and [Facebook Privacy Settings](#).

Changes

We may change this Privacy Policy at any time. The most recent version of the Privacy Policy is reflected by the version date located at the bottom of this Privacy Policy.

Child's personal information

This service is not intended for children under the age of 13. We do not intentionally collect personal information from children under the age of 13. If we discover that a child under the age of 13 has provided us with personal information, we will immediately remove it from the server. If you are a parent or guardian and you know that your child has provided us with personal information, please contact us so that we can take the necessary action.

Collection and use of information

You can request to provide personally identifiable information while using the service for a better experience. The information requested by us will be held by us and will be described and used in this Privacy Policy.

The app uses a third-party service that can collect information used to identify the user.
