Great attendance and sessions at today's conference. Plus, Jile is in the house! Jile is the new #Agile management tool that experts such as Scott W. Ambler and Joseph Butson like for #DevOps, #CICD and #DevSecOps. Find Debra Maltby at the show to see what makes Jile different or connect with her on LinkedIn to get all the details later.

#FlowFactorSLC #Cloud #Microservices

Hey Agile and DevOps folks in Salt Lake City!
Join us at Flow Factor tomorrow to learn how to accelerate building cloud-native applications!
