

Privacy Policy

Effective as of: 9/24,2024

we pay attention to and are committed to protecting the privacy of you. This Privacy Policy is meant to explain to you how we collect, use and store your personal information when you use the Screw Bot ("App"). Please read the policy carefully to understand our views and practices regarding your privacy.

By accessing or using the App, you acknowledge your agreement to be bound by this Privacy Policy. If you do not agree to be bound by this Privacy Policy, please do not use this App. If you have any questions, please contact us by email at m18038525900@163.com.

Changes to this Privacy Policy

Any personal information that we collect is covered by the Privacy Policy in effect at the time such information is collected. We may make changes to this Privacy Policy from time to time. You will be given reasonable notice of any material change.²⁴

The information we collect about you and how we use it

When you play the Game or use our Services, we may collect the following information from you: (a) device identifiers (such as IDFA, IDFV, GAID) ;(b) the type, brand, operating system and language of your device;(c) the type and operator of network;(e) usage log(such as login time, login duration, etc.).

We are committed to delivering a relevant and useful experience to you. Depending on how you interact with us and the Service, we use your personal information to:

- Provide and manage your access to and use of the Service;
- Enhance and improve the Service, such as add new content and features;
- Notify you about changes, updates and other announcements related to the Service;
- Deliver targeted advertisements, promotional messages, and other information related to the Service and to your interests;
- Provide technical, product and other support and help to keep the Service working, safe and secure; and/or
- Respond to your requests, inquiries, comments or concerns.

Who we share information with

We will not share any Personal information that we have collected from or about you except as described below: we work with a variety of third parties and service providers such as third party subcontractors, affiliates of us, retailers, fulfillment partners and marketing partner to help provide you with our Services and we may share information with them to support these efforts. In such cases, these companies must abide by our information privacy and security requirements, and follow Apple's Privacy Policy.

How we keep your Personal Information safe

The security of user information is very important to us. If you contact us to correct your User Information, we will endeavor to promptly correct such inaccuracies. You have the right to have incomplete personal information completed, including by providing a supplementary statement. We care about the security of your user information and are committed to taking reasonable steps to protect your personal information from unauthorized access and use. We implement appropriate technical and organizational measures to ensure a level of security appropriate to the risk, including pseudonymization and encryption of personal information. We also have appropriate physical, electronic and managerial policies and procedures in place to protect your personal user information. We continue to implement procedures to maintain accurate, complete and current user information. While we have implemented safeguards designed to protect your User Information, no security system is impenetrable, and due to the inherent nature of the Internet, we cannot guarantee that information will be transmitted during transmission over the Internet or stored on our systems or otherwise. The way is completely safe from intrusion by others while in our custody.

How long we will keep your Personal Information

We do not keep your information for longer than is necessary unless we are required to do so under law. We will retain your information as follows:

We will retain your information for as long as is needed to provide you the Service.

If we are required to retain your information beyond the retention periods set out above, for example to comply with applicable laws, we will store it separately from other types of personal information.

Third Parties

In the App, you may access links to websites and services that are owned or operated by third parties (each, a “Third-Party Service”). Any information that you provide on or to a Third-Party Service or that is collected by a Third-Party Service is provided directly to the owner or operator of the Third-Party Service and is subject to the owner’s or operator’s privacy policy. We’re not responsible for the content, privacy, or security practices and policies of any Third-Party Service. To protect your information we recommend that you carefully review the privacy policies of all Third-Party Services that you access.

Your Rights

You have certain rights in relation to your personal information. This means you can:

1. Correction of your personal information.
2. Restrict our processing of your personal information.
3. Ask us to provide a copy of your personal information that we have collected.
4. Ask us to delete your personal information.

We offer you choices regarding the collection, use, and sharing of your personal information and we'll respect the choices you make. Please note that if you decide not to provide us with the personal information that we request, you may not be able to access all of the features of the Services.

Children

Unless stated otherwise for a particular Service, children are not allowed to use the Services, and we do not knowingly collect Personal information from them.
