## EVENT TECHNICAL REGULATIONS

The main provisions are:

Riders will receive 2x race numbers including a transponder. Riders must return their numbers at the end of each Stage 1 and Stage 3 or incur a replacement fee of \$10 per transponder and number. Numbers are not to be folded to fit into skinsuit pockets.

Competitors must sign-on at least 15 minutes before commencing each stage.

HWDD/LCCC is a time-based event for all riders to accumulate General Classification (GC) based on their finishing position in each stage and bonus time collected.

For U17 riders, GC positions will be calculated on aggregate time across all three stages.

Riders do not have to start or complete every stage to continue in the Tour, however only riders who complete every stage will be eligible for the GC. Scheduling will be based on the assumption that all riders start every stage. Riders must advise the Race Director prior to a stage if they are unable to attend or are not starting. Place getters in stages do not have to finish the Tour to be eligible for stage prizes.

A rider who has a genuine mishap or mechanical issue will be permitted to continue in the Tour. Such riders will be eligible for stage results (such as KOM and sprint bonuses) but will not be eligible for GC results.

Riders who DNF or suffer a mishap in a stage cannot assist or work for other riders still competing for the GC in any race. Any such rider who assists another rider may be disqualified, and any assisted riders may also be disqualified.

Should a rider suffer a mishap they will be allocated the time of the slowest rider in their age or graded division and be permitted to continue in the Tour and remain eligible for GC. The competitor must report immediately to the Chief Commissaire.

Riders will be eligible for stage prizes if only entering and competing in single stage of the Tour but will not be eligible for GC prizes.

Free laps will not be allowed in the Road Races for a mishap.

Competitors who withdraw from the Tour must advise the Chief Commissaire of their withdrawal and return their race numbers to the registration area.

There will be no provision for any spares in any vehicle for any age or grade race. There will be tail and lead cars for the junior U9-U15 races and grade races.

Riders are not permitted to drop rubbish/water bottles along the road race course or may be penalised.

All riders must comply with AusCycling Technical Regulations – General and Road.

All bikes, in all categories for each race must comply with the current AusCycling & UCI technical regulations.

Helmets must meet the Australian Standard and bear the inscription which meets AS/NZ2063.

Brake hoods must be pointing straight ahead when parallel to the top tube i.e they cannot be pointing inwards.

Equipment and rollout checks will be conducted for all juniors at the commencement of each race at times advised by Commissaires. Podium place getters may also be checked.

Junior riders U9-U17 must comply with AusCycling regulations for junior gearing and equipment. The following equipment restrictions will apply for all U9-U17 juniors:

- Handlebar extensions shall be allowed for U15 & U17 in the Time Trial only. Gear and brake mechanisms must not be placed on the extensions.
- For all junior events, wheels must have at least 16 spokes. The rim shall be no more than 44mm in depth.
- Junior gearing must comply with the following roll-outs:  
U17 = 7.0m; U15 = 6.1m; U9-U13 = 5.5m.
- Bikes may be weighted prior to the start of a race to ensure compliance with the 6.8kg minimum weight limit, as per UCI technical regulations.

Riders must be familiar with the rules for road racing events and always follow the instructions of officials and event marshals.

Time Trial bikes (UCI compliant or not) are permitted for riders u19 and seniors.

- Clip on bars are permitted for u15-u17 riders and senior riders only.
- U9-U13 riders are NOT permitted to use clip on bars.

## **GENERAL CLASSIFICATION CRITERIA FOR U9-U17, U19 & Seniors**

HWDD/LCCC Tour General Classification prizes will be presented at the end of the Tour.

To be eligible for GC awards riders must compete in and finish all stages relevant to their grade.

Prizes will be awarded to 1st, 2nd and 3rd in the General Classification (GC) in senior grades.

U17s will race in their own category.

Male and female racing will be combined for u9-u15 age groups. Separate podiums and prizes sponsored by MyRide will be awarded to males and females in each junior age category.

### Time bonuses are as follows:

The first three placegetters in the sprint finish of each road race.

KOM time bonuses will be offered on laps 2, 4 & 6 in Stage 1 Road Race. These will not impact stage results, but will contribute to a KOM Award and overall GC standings.

The KOM time bonuses are the same as the sprint road race finish.

1st = 3 sec, 2nd = 2 sec, 3rd = 1 sec.

The HWDD/LCCC Tour GC winner will be the rider with the fastest time from all stages. Where riders are equal on GC time, their position in the Time Trial will determine their overall GC position.

There will be no KOM or sprint bonuses for juniors u9 to u15.

## **PRESENTATIONS AND PRIZES**

Presentations will take place at Symmons Plains for all stages on Saturday 30<sup>th</sup> August at the end of racing.

Riders should present themselves in race kit, enclosed shoes and without helmet/hat or sunglasses.

Prizes will be awarded to 1st, 2nd and 3rd place getters in each stage for each grade

U17 male and female will also be presented 1st, 2<sup>nd</sup> and 3<sup>rd</sup> prizes for each stage, as well as a prize for the KOM winner in each grade.

MyRide have sponsored prizes to be awarded to 1st, 2nd and 3rd U9-15 junior place getters in each stage.

Prize money will be presented to the 1<sup>st</sup> U17 GC winner male and female in each grade.

## **RACE NUMBERS & TRANSPONDER POSITIONING**

Race numbers should be positioned as follows:

- 2 numbers required for all age groups on left and right ribs, however only 1 number required for the Time Trial

Transponders should be attached with zip ties to the bike seat post

Numbers and transponders must be returned at the completion of racing on Saturday 23<sup>rd</sup> and Saturday 30<sup>th</sup> August.

## **REGISTRATION**

Riders must sign-on before each stage, at least 15 minutes before the scheduled start time for their race.

Registration will be open at least 1 hour before the first race of each stage. If a rider misses their start time, this is deemed as DNS/DNF.

Roll-out will be conducted for u9 through to u17 before marshalling for each stage and may be required immediately after each race finish. Be sure to leave enough time.

You must be in the marshalling area for each stage at least 10 minutes before your scheduled race start time.

## **FIRST AID**

First Aid provided by trained HWDD/LCCC volunteers and will be located with Commissaires or Registration at each stage.

## **FOOD**

A food and coffee van will be on site for Stages 2 & 3 at Symmons Plains.

## **RESULTS**

Results will be available at Race Result and podiums published on both HWDD and LCCC Facebook and Social Media pages.

Detailed race start times for the Time Trial will be available at Race Result after Stage 1, and prior to Stage 2 Time Trial.
