

Systems 1 Portfolio Assignment #1 Cover Sheet

1. Names of people in your group:

2. For each question, place an X in the correct box below:

Question	Missing	Partially Complete	Complete
Concepts #1 (half page minimum for each concept)			
Abacus Machines #1 (diagram)			
Abacus Machines #2 (diagram)			
Theory #1 (half page, minimum)			
Theory #2 (half page, minimum)			
Semantics/Chips #1 (truth-table)			
Semantics/Chips #2 (diagram)			
Semantics/Chips #3 (hdl code):			
Not			
Or16			
Mux			
Mux8Way16			
HalfAdder			
FullAdder			

3. Submit everything to Populi (with this cover sheet filled out, plus answers to questions) as a single PDF file, **except** for Semantics/Chips #3, which you should submit as a single text file. Name the files <yournames-portfolio1.pdf> and <yournames-portfolio1.txt>, where “yournames” is the last names of your group members. Also, make sure the top of the PDF and text files have the names of everyone in your group.
