

Transcriptions Assignment

For this assignment, I want you to turn in a complete copy of your written transcriptions. As discussed in class, I have no problem if you want to use a transcriber of sorts for this to generate the audio to text. If your interviewee speaks in another language, keep it! I will just ask that you put a translation after the quote in the native language for me.

Please submit this as a MS Word PDF or Google Doc PDF.

There is no minimum page length -- but it does need to be thorough -- I would say a minimum of three or more pages.
