**There are certain conditions that I will refuse to do couple/ship art.

***The drawing will only be in my personal style.

Image sizes vary. - Prices may change with time

<u>PRICES USD</u>	BUST	WAIST-UP	FULL BODY
SKETCH	\$5	\$7	\$10
FLAT COLOR	\$12	\$14	\$16
RENDERED	\$25	\$35	\$55

1. Additional \$5-10 for a background, depending on complexity (flat color backgrounds have no additional charge).
2. Additional charges for extra characters will be determined when discussing the commission, which typically will be double the price.
3. The payment is either given all at once **or** half for me to begin and the remainder when I have finished the project.
4. Willing to negotiate for a shaded but not fully rendered drawing or different image cropping **ONLY**. All other prices are non-negotiable.
5. If you believe my prices are too high, I spend a lot of time on my work– average time for fully rendered art is 15 hours– so I believe these are fair, if you disagree then don't commission me.

DESCRIPTION OF WORK

Sketch - slightly messy lineart, some shading, monochromatic.

Flat Color - the sketch with a layer of colors, maybe slightly shaded.
