

21 November 2025

Ayubowan, Vanakkam, Namaste, and a very good day to everyone.

I am H.V. Himesha Panchali Ruwanmanike, an English subject teacher at Swarna Pradeepa Primary School, Sewanagala, Monaragala, Sri Lanka.

Today, I have the honor of serving as your host on behalf of the International Association for Quality Education, the Ministry of Education, Uva Province, and the department of education, Uva Province, Sri Lanka

The *International Professional Development Program for Educators* is a joint educational initiative by the International Association for Quality Education, the Ministry of Education, Uva Province, and the Department of Education, Uva Province, Sri Lanka, in collaboration with universities, organizations, schools, and educational leaders from around the world.

First and foremost, I would like to extend a warm welcome to Dr. Rashmi Thayagi, the Indo - Sri Lanka Education Ambassador. Before we begin today's session, we wish to acknowledge and honor her invaluable contributions to the success of this international professional development program.

It is my great pleasure to welcome our esteemed speaker for today's session Ms Archana Sachin Patil.

She has B.Sc, [B.Ed](#) degrees and now she is working as a Mid Brain Activation Trainer

She is expert on Mid brain activation, Photographic Memory, Quantum Speed, Bhramanandnayak Gurukul

She will do practical session with her students on Mid-Brain Activation - Third Eye Activation.

Ms Archana Sachin Patil ma'am, we are delighted to have you here. On behalf of the International Association for Quality Education, the Ministry of Education, Uva Province, the Department of Education, Uva Province, Sri Lanka, and all our participants, I warmly welcome you to this session.

We now invite you to begin your presentation.

The floor is yours.
