

Hi *FIRSTNAME*,

It's Mark from CRE8R. I've tried reaching out to you a few times in the past but I've never heard back from you. 😞

I understand as a realtor, time is extremely important and I'm assuming your focus has been on other things.

At this time, if using our all-in-one staging, 3D, video, photo service to help you get your listings on market while saving you an average of \$5,000 to \$7,000 dollars isn't right for you at this time, you can reply to this email and simply say, "Not interested," and I check back with you in a few months.

If you are interested, we can set up a 10 minute phone call so I can explain more about it.

Here's my [calendar schedule](#).

And [here's our portfolio](#) if you want to see more.
