

Erasmus+ PESA - Personalised Education for Social Activity
C3 Mobility – Vila Nova de Paiva, Portugal. 6 - 11 March 2022
Innovative class: “My specific place, full of memories”

Introduction

The School Cultural Project for the school year 2021/2022 has as its theme “*My Specific Place*” and pretends to develop artistic proposals for spaces chosen by groups made up of elements of the school community (students, teachers and non-teaching staff), looking to modify that space permanently or ephemerally, leading to a reflection and a new look at the same.

WORKSHOP 1 - 04/04/22

Hour: 14h00/16h30

Duration: 2h30

Goals:

- Develop self-confidence and group spirit;
- Develop creativity, body conscience and coordination;
- Frame the “My Specific Place” project and his creative process

Description of activities	Duration	Material Resources
<p><i>Presentation Game 1:</i> - The group stands in a circle;</p>	10 min	

<ul style="list-style-type: none"> - Each person says their own name twice and everybody repeat it twice also, clapping hands twice at the same time. When everyone has done this task, repeat the game but saying the name louder and the group slam their feet on the ground twice. Repeat once again but whispering the name and clapping two fingers together. 	15 min	
<p><i>Presentation Game 2:</i></p> <ul style="list-style-type: none"> - The group stands in a circle and each element says their own name with a different intonation and a gesture/body movement at the same time. The whole group repeats the name and gesture made the way it was presented. - The whole group repeats the name/gesture sequence without pauses. 	20 min	Waste material
<p><i>-"Specific Place" Presentation</i></p> <ul style="list-style-type: none"> - The entire group will go to the intervention space to explore the drawn elements and the working material. - Proposals presentation and task definition 	15 min	Tools
<p><i>BREAK</i></p> <ul style="list-style-type: none"> - Space intervention 	1h30
