

Health Pass Manual

The Health Pass application has been developed to enable DHIS2 users to download the vaccination records of people vaccinated against COVID 19. Vaccination officers in vaccination centers or in authorized locations can use it.

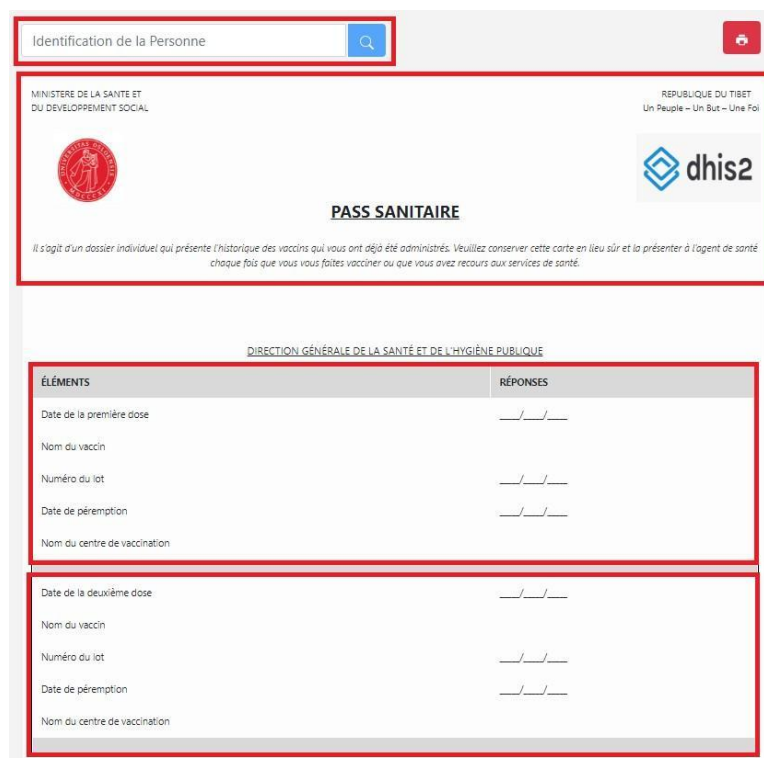

This application is easy to use and its interface can be modeled to meet country requirements.

To download someone's vaccination record, simply:

A. Click on the application

B. Application interface

ÉLÉMENTS	RÉPONSES
Date de la première dose	__/__/__
Nom du vaccin	
Numéro du lot	__/__/__
Date de péremption	__/__/__
Nom du centre de vaccination	
Date de la deuxième dose	__/__/__
Nom du vaccin	
Numéro du lot	__/__/__
Date de péremption	__/__/__
Nom du centre de vaccination	

Once you click on the app icon, you will be redirected to the app's interface. The interface is quite intuitive and easy to use. There is a part for the search while the rest constitutes the form (header, display of dose data).

C. Enter the person's ID and display the information

To display the person's information on the vaccination record, simply enter the person's ID in the search field and click on the blue search button. If the code is correct, you will have a record with the information about the person. Otherwise, the form will disappear.

Example with the ID: **ID-1941177**
