Child Safeguarding Management Plan

(Motorcycling Tasmania Inc.)

1. Objective

To implement MTAS's Child Safeguarding Policy by identifying risks to children in our activities and ensuring strategies are in place to prevent harm.

2. Safeguarding Risks and Controls

Risk Area	Management Action	Responsible Person(s)
Toilets and change rooms	Parents/guardians responsible for supervision; officials prohibited from assisting except in emergencies; facilities monitored at events.	Event Manager, Parents
Unsupervised children	Parents must remain on-site; written nomination of alternate guardian if leaving.	Parents, Event Staff
Online communication	All communications must include a parent/guardian or multiple adults; no private one-to-one messaging.	Coaches, Officials, MTAS Admin
Inadequate screening of officials	Mandatory WWVP checks, safeguarding interview questions, reference checks.	MTAS Board, CEO
Failure to follow policy	Mandatory induction for officials/volunteers; regular safeguarding refresher training.	MTAS Board, Child Safety Officer
Failure to report concerns	Clear reporting process, designated Child Safety Officer, confidential handling.	All Officials, Volunteers, Participants

3. Monitoring and Review

- Annual review of safeguarding compliance by the MTAS Board.
- Random audits of WWVP checks and referee records.
- Feedback from parents and children collected at major events.
- Continuous alignment with Motorcycling Australia safeguarding policies.

4. Roles and Responsibilities

- **MTAS Board:** Oversight and enforcement of safeguarding policy.
- **Help Hero:** First point of contact for concerns, training coordination, policy monitoring.
- **Event Managers:** Ensure implementation of safeguarding measures at events.
- **Officials & Volunteers:** Comply with safeguarding practices and report concerns.
- **Parents/Guardians:** Supervise children and support MTAS in maintaining a safe environment.
