

Camp Kinderland Staff Travel Policy

Camp Kinderland provides free transportation to camp via a staff bus that leaves from The Bronx, NY, on the first day of full staff Orientation. If you are not driving or being driven to camp, we hope you will make every effort to be on that staff bus. We also provide free transportation from camp to NYC at the end of the August session (either via a staff bus from camp, or via Peter Pan bus lines). At the mid-season changeover, we make every effort to accommodate staff on the camper buses, but cannot guarantee space at this time.

General transportation policy for travel to and from camp at the start and end of your term of employment:

If cost of travel is \$100 or less, you are responsible for your own transportation costs.

If your cost of travel is more than \$100, camp will reimburse you for one half of your travel expenses over and above \$100 for transportation at the start and end of your term of employment. **YOU MUST SAVE YOUR RECEIPTS!!**

a- This assumes satisfactory fulfillment of your contract.

b- We expect you to secure the least expensive transportation arrangements available, and hope that you will make arrangements early enough to ensure this.

If you have a particular hardship regarding transportation costs, or would like to discuss your individual travel needs, contact the office at: 718-643-0771 or email us at cindy@kinderland.org.

International Travelers:

Please contact Cindy Zingher at cindy@kinderland.org regarding your transportation to and from camp.

This policy applies only to travel to and from Camp Kinderland at the start and end of your term of employment. We do not reimburse travel expenses for days off or other time out of camp.
