DEPARTURE / ARRIVAL NOTES:

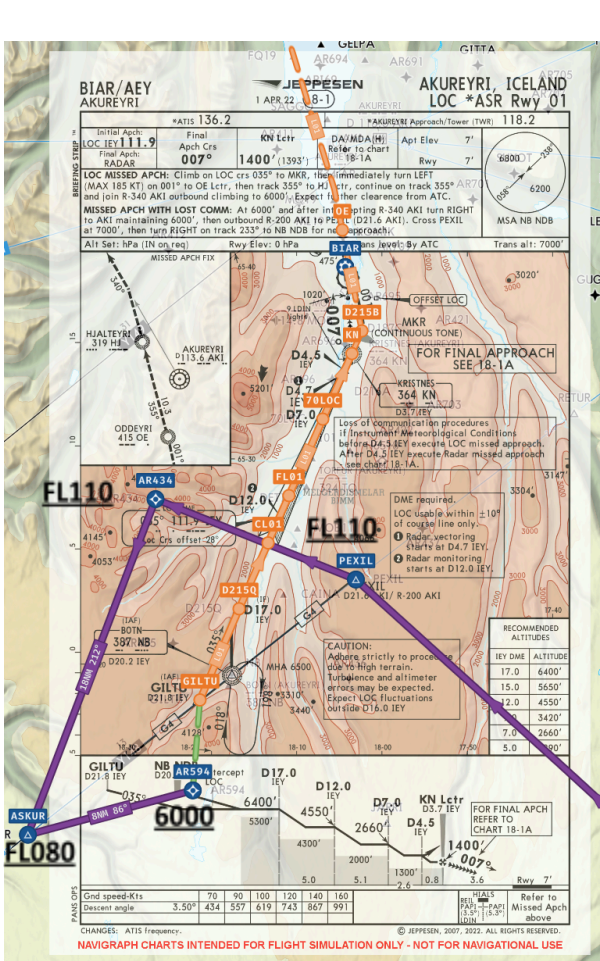

APPROACH: RNP X RWY 19

STAR: PEXIL.PEXI 1M

APPROACH: LOC *ASR RWY 01

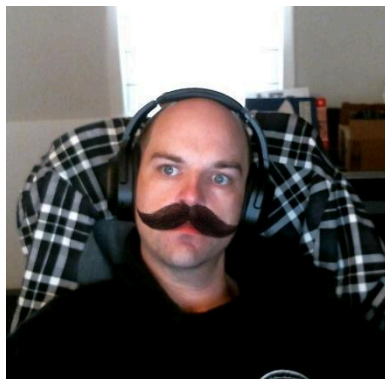

WAYPOINTS FROM PEXIL:

**GROUP FLIGHT
BRIEFING:**

- **Mute/PTT in Discord, if not speaking.** Remember, speaking on VATSIM may also act as push-to-talk on Discord.
- **Discord name: your first name + your callsign.** (e.g. Micah C | TPC15)
- Don't forget to put **OPERATED BY THEPILOTCLUB.ORG** in your FP remarks.
- All Pilots flying this flight will get **250 TPC points**. Pilots who use TPC callsign on this flight will get **500 TPC points**.
- Only those members who **completed onboarding** (read SOP and acknowledged) will be able to fly in group flights.
- ALWAYS maintain a ***sterile flight deck*** below 10,000 feet if flying IFR aircraft. VFR aircraft should maintain sterility at appropriate altitudes and near terminal areas.
- **Be professional**, don't miss ATC calls, don't step on each other on freq. Departure may get hectic.
- **SID/STAR can change**; be prepared.
- **Read SOP and flight post on the website prior to the flight.**
- Visit the staff vacancies page to see positions available on TPC staff.
- **Support your club through the DONATE button** at the bottom right of the website. Donations help expand the resources available to you as a club member, monthly giveaways, and maintain server costs.

HOSTED BY:

Micah C | TPC15
