The Rose Quest Personal Care Initiative Kit Request Form

We are a Northumberland based registered charity focused on providing anyone in need with personal hygiene items. Soap, shampoo, toothpaste and brushes, and other necessary items can help maintain a person's dignity and health.

The Rose Quest regularly works with organizations and individuals, providing customized hygiene kits and loose items in order to assist with personal health and dignity. If you or your organization would like to request an order of kits or loose items, please indicate your needs in the chart below and provide us with contact information and important dates.

Please allow at least 3 weeks between form submission and delivery date.
