

Netherlee Nursery Class
Fri 17th February - Fri 24th February 2022

Acorns

Children may engage in some of the following play experiences.

Spark: The children have been enjoying playing in the water area.

Focus: Water World

The children will engage in sensory play and develop their creative skills by helping to make a 'water world' outside.

Spark: It is pancake Tuesday this week.

Focus: Pancake Playdough

The children will be making their own playdough pancakes and decorating them with a number of 'ingredients'.

Spark: The children have been talking about how much a bottle of water weighs whilst exploring capacity.

Focus: Measuring Weight

Using a variety of household food items the children will compare the weight of objects. They will be encouraged to use the correct mathematical language of 'lighter', 'heavier' and 'the same weight'.

Spark: It is pancake Tuesday.

Focus: Pancakes!

The children will be following a simple recipe to make pancakes. This will involve a number of numeracy skills including, measuring, counting spoonfuls and checking the volume of water used.

Spark: The children have been counting dots used for pointilism and stamping numbers.

Focus: Outdoor Looseparts

Children will playing with natural loose parts (such as conkers and pine cones) and using them for counting and imaginative play.
