

- Walkthrough 1.0.2 -

-- This Walkthrough is a guide to help you if you get stuck in the game. The in-game hints are very good, but sometimes they are a little hard to figure out exactly what they want you to do, so this is a guide to help with that.

- Notes -

- To make things easier (and less grindy): cheat for money and lock your mood at max.
- Any action that gives points to a character should be repeated until they no longer give points
- Do MC path first until it's finished, then continue with other characters.
