

SPORT REPORT TERM 1 2019 Round 5 vs St Patricks (Girls Only) St Benedicts (Boys Only)

Team	Coach	Result	Comment
10-12 Boys Basketball	Mr Peters	87- 30 Win	<i>Excellent improvement (33pts) from our first game against St Benedicts. All played very well. Wesley, Machar and Thiol were spectacular. MVP. Wesley Titus (9 assists + 5 steals)</i>
10-12 Girls Basketball	Mr Wakeling	43-37 Loss	<i>A really intense game. We finally switched on and drew level. However we made some simple errors and never really recovered. A late burst closed the gap only for the narrative to repeat itself. MVP. Sarah White</i>
7-9 Boys Volleyball	Mr Williamson	3-0 Win	<i>Convincing win but not one of our better performances. Came home on the strength of good serving from Lachlan, Christian and Kye. MVP. Kye Thompson</i>
7-9 Girls Volleyball	Mrs Pellegrino	3-2 Loss	<i>With the girls down the first two sets, they picked up their game bringing the score to two all. Unfortunately losing the last set by only 2 points. The JT girls definitely showed great skill and teamwork throughout the match. MVP. Kaylah Marshall</i>
10-12 Girls Oztag	Mr Tran	8- 3 Loss	<i>We played good against a strong team despite the heat and playing down players. Thanks to the girls who stepped up to fill in. MVP. Madison Lerner</i>
10-12 Boys Oztag	Mr McGrath	11-2 Win	<i>A fantastic performance with no reserves in the heat. Some great teamwork lead to some outstanding tries out wide. Well done. MVP. Emmanuel Fatialofa</i>
7-9 Girls Indoor Cricket	Mr Hatton	64-10 Win	<i>Awesome bowling and catching reduced St Pats to a total of 10. JT batting was always in the positive with a final pair of 43 (Grace and Allanda). MVP. Montanna Taff</i>
7-9 Boys Softball	Mr Bodeker	5-1 Loss	<i>Unfortunately the boys lost to a strong St Benedict's side, it was 5-1 with Aaron Stonebridge winning a deserved MVP for hitting our singular run. The boys made a solid start, however great pitching from St Benedict's prevented us from converting our runners on base to runs scored. Unfortunately a few silly errors led to St Benedict's scoring some easy runs. The boys have shown great sportsmanship throughout the season and are constantly improving. MVP. Aaron Stonebridge</i>

As we lead up to the final series most teams are in contention of a top 3 finish, with some team close to premiership contenders. This year as part of a new MISA structure we are looking forward to the prospect of competing in the interzone finals, where first place zone teams, will compete in a round robin grand final round robin.

Good luck to all teams in the build up to the final series.
