

College Uniform Policy

December 2024
To Be Reviewed December 2025

1.0 Rationale

The College uniform at St Anthony of Padua Catholic College is unique and clearly identifies which school the students attend. The College uniform provides the students with a sense of belonging to the St Anthony of Padua Catholic College community. It is the College policy that students attending St Anthony of Padua College wear the full College uniform with respect and pride. Students are permitted to wear the full College sports uniform on the designated sports day. It is an expectation that parents support this policy by ensuring their child/ren is wearing the correct uniform at all times.

2.0 Guiding Principles

2.1 Students are expected to be in full College uniform at all times

2.2 Students and their families are made clear of College uniform expectations at time of enrolment, and these are agreed upon with the acceptance of an offer at the College

2.3 Students accept that their personal appearance is an important aspect of the College uniform guidelines and is an expression of pride in themselves and the College

2.4 Students who breach the College uniform policy will receive a warning then a 'Behaviour of Concern' chronicle entry

2.5 Continued breaches of the College uniform policy will result in formal consequences

2.6 Formal consequences may include students being withdrawn from playground areas during break times, students attending College Reflection Time and students being withdrawn from classes until issues are rectified
