

Effective Date: [Add Date]

VEO Automation is committed to protecting your privacy. This Privacy Policy explains how the extension handles user data.

1. Data Collection

VEO Automation does NOT collect, store, or share any personal or sensitive user data.

2. User Input

Any prompts or inputs entered by the user are processed locally within the browser and are not transmitted to external servers.

3. Data Usage

The extension only uses user-provided input to perform automation tasks on Google Flow project pages.

4. Third-Party Services

VEO Automation does not send data to any third-party services.

5. Permissions Usage

- Tabs & ActiveTab: Used to interact with the active Google Flow page.
- Storage: Used to save user settings locally in the browser.
- Host Permissions: محدود to Google Flow pages only.

6. Data Security

All processing happens locally. No external storage or tracking is performed.

7. Changes to Policy

We may update this Privacy Policy. Changes will be reflected on this page.
