

1. **This list is outdated and missing about half of the models. It will no longer be updated. A complete list of male and female models can be found [here](#).**
2. All of these images were taken and named by **AngeredFox** on Discord. All credit for these images goes to him.
3. The images are full resolution, so if you want a closer view of any of them you can zoom.
4. Male version found [here](#)
5. If you find any errors or discover a model that isn't listed, please email me at tunnelsnakesrule2277@gmail.com
