- b. Completing checklists and questionnaires with auditee participation;
- c. Conducting document review with auditee participation;
- d. Sampling;
- e. Observation of work performed; and
- f. Inspection of work areas and common facilities.

VI. Reporting

Results of audits shall be presented to the auditees during the closing meeting. Audit summary reports shall be submitted to the Head, IQA by the team leader within five working days after the conduct of each audit. Consolidated audit findings shall be submitted to the Executive Director through the Quality Management Representative (QMR) five days after the submission of all Audit Summary Reports.

VII. Audit Limitations

In order to advocate independence as an audit principle, cross-posting of auditors will be implemented. In no case will any auditor be assigned to audit his/her process.
