We Will Sing *Penny Stone*

When they build walls
(We will build bridges)
Open up a different way
When they close their eyes we will sing

Whether you're a friend or a stranger
One world we're travelling through
Whether you're fearful or in danger
We will stand with you

When they teach hate
(We will love)
Open up our arms so wide
When they scream and shout we will sing

When they hide the truth
(We will keep singing)
Shining out the brightest light
When they try to silence us we will sing
