POLICY 2: PROHIBITING THE ABUSE OR MISTREATMENT OF ONE YOUTH BY ANOTHER YOUTH

State Alliance of Michigan YMCAs is committed to providing all youth with a safe environment in its facilities and programs. State Alliance of Michigan YMCAs will not tolerate the mistreatment or abuse of one youth by another youth.

In addition, the YMCA will not tolerate any behavior that is classified under the definition of bullying, and to the extent that such actions are disruptive, we will take steps needed to eliminate such behavior up to and including termination from Y programming.

Bullying is aggressive behavior that is intentional, is repeated over time, and involves an imbalance of power or strength. Bullying can take on various forms, including:

- *Physical bullying* – when one person engages in physical force against another person, such as by hitting, punching, pushing, kicking, pinching, or restraining another.
- *Verbal bullying* – when someone uses their words to hurt another, such as by belittling or calling another hurtful names.
- *Nonverbal or relational bullying* – when one person manipulates a relationship or desired relationship to harm another person. This includes social exclusion, friendship manipulation, or gossip. This type of bullying also includes intimidating another person by using gestures.
- *Cyberbullying* – the intentional and overt act of aggression toward another person by way of any technological tool, such as email, instant messages, text messages, digital pictures or images, or website postings (including blogs). Cyberbullying can involve:
 - o Sending mean, vulgar, or threatening messages or images;
 - o Posting sensitive, private information about another person;
 - o Pretending to be someone else in order to make that person look bad; and
- *Hazing* – an activity expected of someone joining or participating in a group that humiliates, degrades, abuses, or endangers that person regardless of that person's willingness to participate.
- *Sexualized bullying* – when bullying involves behaviors that are sexual in nature. Examples of sexualized bullying behaviors include sexting, bullying that involves exposures of private body parts, and verbal bullying involving sexualized language or innuendos.

Anyone who sees an act of bullying, and who then encourages it, is engaging in bullying. This policy applies to all youth participating in events and programs, as well as staff and volunteers.

Additional Guidelines for One-on-One Interactions

- When meeting one-on-one with a youth, always do so in a public place where you are in full view of others
- Avoid physical affection that can be misinterpreted. Limit affection to pats on the shoulder, high-fives, and handshakes
- If meeting in a room or office, leave the door open or move to an area that can be easily observed by others passing by
- Inform other staff and volunteers that you are alone with a youth and ask them to randomly drop in
- Document and immediately report any unusual incidents, including disclosures of abuse or maltreatment, behavior problems and how they were handled, injuries, or any interactions that might be misinterpreted
- Supervisors must keep a schedule of private tutoring and coaching sessions, which should include times, youth involved, and location of sessions.
- Staff/Volunteers must have supervisor approval for any tutoring or private coaching sessions.
- Tutoring and coaching sessions with our organization's youth may not occur outside of the organization.

POLICY 7: MANAGING INTERACTIONS BETWEEN STAFF AND YOUTH OUTSIDE OF REGULARLY SCHEDULED PROGRAM ACTIVITIES

Many cases of organizational abuse occur off-site and outside of regularly scheduled activities. This contact outside of regularly scheduled activities may put staff, volunteers, and the State Alliance of Michigan YMCAs at increased risk.

The YMCA strongly recommends that staff and volunteers do not have outside contact with youth from the organization. However, if off-site contacts are unavoidable, our organization has determined that the following forms of outside contact are appropriate and inappropriate:

<i>Appropriate Outside Contact</i>	<i>Inappropriate Outside Contact</i>
• Taking groups of youth on an outing • Attending sporting activities with groups of youth • Attending functions at a youth's home, with parents present	• Taking one youth on an outing without the parents' written permission • Visiting one youth in the youth's home, without a parent present • Entertaining one youth in the home of staff or volunteers • A lone youth spending the night with staff or volunteers

In addition, when outside contact is unavoidable, ensure that the following steps are followed:

1. Supervisors should identify for staff and volunteers what types of outside contact are appropriate and inappropriate.
2. Ensure that staff or volunteers have the parents' permission to engage in outside contact with the youth. Consider requiring the parents to sign a release-of-liability statement.
 - If an arrangement is made between a YMCA staff member and a program participant or member for unsanctioned childcare; the YMCA staff and the family requesting care must fill out the Unsanctioned Childcare Waiver and Hold Harmless Agreement and turn into the YMCA HR office. THIS POLICY IS DESIGNED FOR THE PROTECTION OF ALL INVOLVED – CHILDREN, STAFF MEMBERS, PARENTS, AND YMCA.
 - To request a waiver, please see a senior staff member or the HR department.

A criminal record will not automatically disqualify an applicant from employment, volunteering or an employee from continued employment with the State Alliance of Michigan YMCAs. A variety of factors, such as the nature of the conviction, the relevance of the crime to the position, and the time that has elapsed since the conviction, will be taken into consideration.

If an applicant attempts to withhold information or falsify information pertaining to previous convictions, the applicant will be disqualified from further employment consideration with the YMCA due to falsification of an application.

An offer of employment may be extended to an applicant prior to the completion of the criminal background check. However, the applicant's first day of work in the position cannot begin prior to the satisfactory completion of the criminal background check.
