

DIC Facebook Ad. The goal is to capture attention and get clicks on the sales letter.

Product: A 'NoteCube.' A wooden box where the gift-giver writes messages on a series of cards. Personal messages, reasons why they love them, etc. The box is of high quality and has very good reviews. The testimonials quoted in the copy are real

Ideal consumer and state: Women in a relationship (married or with a boyfriend, whether a new couple or long-standing) looking for a Valentine's Day gift. They want something intimate that makes them stand out, something that will provoke a strong emotional reaction in their partner and have that kind of romantic relationship with him.

How To Make Your Man Cry of Love This Valentine's Day!

A Little-Known Secret to Reach Your Man's Soul Like Nothing Else

What do you give a man for Valentine's Day?

While you could spend *hours* figuring out just the perfect present... come up with dozens of ordinary ideas... but so very few will truly matter to him!

It's time to discover a secret that can make you unforgettable to him, unlike anyone he's ever met... *By telling him things he never heard before, from nobody else!*

"The look on his face when he opened it... it was magical."

"He opened it. I got tears, silence, excitement... so many emotions"

"Speechless and moved to tears at the same time"

"Simply melted his heart!"

Read and try to find out what it is. Can you guess it?

- Its NOT a typical chocolate box. it doesn't look like any "normal" Valentine Gift...

-It might be *exactly* what you need to get to his heart, just by using your ideas.... like a silver bullet piercing through his knightly armor

- It's a unique object, beautifully crafted, soft and durable... and made of Chinese wood!

Thousands of lucky women have already seen their men unable to hold their tears.

They too, have become unforgettable.

Now it's your time.

Discover how now, [here](#).
