

## Community Support Initiative

### Application form

Proposed project title	
Project start and end date	
Location(s) for implementation	
Project focal points	
UNHCR Partner organization, <i>if any</i>	
Total amount requested	
Date of application	[Select Date]
Proposal is developed together with UNHCR Partner	[Yes/No]

#### 1. OPERATIONAL CONTEXT AND BACKGROUND (*maximum 500 words*)

*Describe briefly the general context where your community lives and works.  
Describe what your community is doing together and in which area you operate (cultural events, sports, social cohesion, education, health etc)  
Describe the problems in your context which you would like to address with this project.*

#### 2. PROJECT STATEMENT AND OBJECTIVES (*maximum 500 words*)

*Provide a concise statement summarizing the project objective it aims to achieve and the target group of the project.*

#### 3. PROJECT DESIGN (*maximum 500 words*)

*Provide a concise statement summarizing the project activities and their implementation.*

#### 4. COMMUNITY BASED APPROACH (*maximum 500 words*)

*Who are the members of the community that will be responsible for the project implementation? Who are the members of the community who will support the project implementation? Who are the members of the community who will benefit from the project? To the extent possible, what steps or actions will the project take to remove barriers to participation and promote participation and inclusion?*

## 5. MONITORING AND REPORTING (*maximum 500 words*)

*Briefly describe the key deliverables and the measurable outcomes expected from this project.*

*What support from UNHCR Partner do you think you will need? Please describe how you are going to monitor the project implementation? What is the better way for you to report to us about the project implementation?*

## 6. SUSTAINABILITY PLAN (*maximum 500 words*)

*Briefly outline how project activities will be carried forward and sustained beyond 2022, if planned.*

## 7. INDICATIVE BUDGET

	Description	Units	Unit Cost	Total Cost in USD
