

College of Engineering

Credit Guide for Berkeley Global Internships and Berkeley Summer Abroad

Berkeley Global Internships

All units taken on Berkeley Global Internships go toward the minimum of 120 semester units required for graduation. Please refer to the chart below to determine if a Global Internships course can satisfy a Humanities or Social Sciences requirement in the College of Engineering. **Completion of a study abroad program DOES NOT satisfy an International Studies breadth course as it would for a student in the College of Letters and Science.** The only requirement credit possible for a College of Engineering student is noted in the “COE Humanities and Social Science Courses” column below.

| Global Internships Location | Course Name | COE Humanities and Social Science Courses |
|--------------------------------|---|---|
| All Locations | UGIS 157: Experiential Learning or UGIS 158: Global Citizenship | None |
| International Locations | | |
