- Debates

4.) Discussion

- Steam Winter Sale
- Other Games
- Other News
- Game of the Year Award

5.) After-party

Anything

The length of discussion on each topic is dependent on how much there is too talk about. However, the most should be 7 or 8 minutes for the bigger discussions and 2-3 minutes for the smaller ones. Format should be loose, transition should be more subtle. Should reach **after-party** pretty quickly after talking about **Steam** sale and **Game of the Year**
