Khaled told the woman who showed him the car that he liked to think about it. Really , he didn't think very long. An hour later, he was back, He asked the woman some questions and she said all she wanted for it was only four thousands. He asked to try it and he was given the keys. He paid the money and took the car.

Khaled was sure there must be something fishy about it and he did not want to get himself in trouble. So, instead of going home, he drove straight to the police station where he left the car for the police to check the matter. The next day he was called up to go and collect his car. The police officer told him that everything was legal but the woman had not told him everything. Her husband was taken dead out of the car and so no one wanted to buy it. Khaled wished he had never known about that. He himself felt uncomfortable. He regretted buying the car.
