# **Iron Springs Elementary**

## Iron County School District School Community Council Candidate Form

#### **Serving on the School Community Council**

Serving on the Community Council is a wonderful way for parents and teachers to contribute and help improve academic performance at our school. The school receives an annual dividend from the school trust lands. Our council decides how these funds will be used. The council reviews and prepares other academic plans for our students each year. All plans are reviewed for final approval by our school board. Councils also act in an advisory capacity to school and school district administrations.

### Qualifications

Every public school in Utah has a community council. The councils are made up of school employees who are elected by employees and parents who are elected by parents of students attending the school. Membership terms are for two years, but may be extended. Elections are held at the beginning of each school year. Parent members must have a student attending the school at least one of the two years of their term of service. Employees must be employed by the school district and assigned to the school. For more information on School trust lands please visit
